

## **CHADRON COMMUNITY HOSPITAL & HEALTH SERVICES**

825 Centennial Drive • Chadron , Nebraska 69337

Chadron Community Hospital is seeking a part-time Dialysis LPN or Technician to function in multiple roles, which include dialyzer reprocessing, equipment maintenance and repair, water treatment monitoring, participation in quality improvement, vascular access monitoring and direct patient care. Certified hemodialysis LPN or technicians are the primary direct care giver for patients undergoing dialysis treatments. They work closely with, and under the direct supervision of, registered nurses as an important member of the patient care team. Through primarily on the job training, LPN or a certified hemodialysis technician must learn and understand the scientific principles of dialysis, the process of the dialysis treatment, and how to respond to the physical and emotional needs of people undergoing dialysis treatments.

Excellent benefit package, employee recognition program and employee benevolent fund.
