We're hiring! If you love working with people and technology we have a great spot on our team for you! We are optimizing our searches to find someone with a solid uptime with minimal bugs who has an array of apps installed to perform if-then functions for some of the best clients around. Part time to grow into full time hours. If this makes any sense to you please call or stop in, and send us your resume.

If interested please bring your resume to 210 Chadron Ave or email your resume to officemanager@mannapc.com
